

## What is a School-Parent Compact?

A *School-Parent Compact for Achievement* is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality curriculum and instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

### Jointly Developed

The parents, students, and staff of San Miguel Avenue Elementary School meet yearly to discuss student learning needs based on current grade-level data. Our School-Parent Compact for Achievement is revised based on these discussions. Teachers suggest home learning strategies, parents add ideas to make them more specific, and students identify ways to support their learning goals.

**Parents are welcome to contribute comments at any time.**

### Building Partnerships

**If you would like to volunteer, participate and/or observe in a classroom**, please contact us at 323-567-0511

## Building Partnerships

**San Miguel Ave Elementary School welcomes you to attend**

- Back to School night in August
- Open House in April
- Coffee with Principal held on a monthly basis and led by the administrative team
- English Learners Advisory Council (once a month)
- School Site Council (once a month)
- Local School Leadership Council (once a month)
- Magnet School Play in November
- Winter Performance in December
- Spring Dance in May
- Harvest Academic Fair in September
- Movie Night in the Fall and Spring
- Cyclavia in the Fall

## Communication about Student Learning

San Miguel Avenue Elementary School is committed to frequent a two-way communication with families about children's learning. Parents, teachers and school personnel communicates all year via the following:

- Parent and Teacher communication reports
- Parent conferences
- Parent Monthly Newsletter
- Blackboard Connect calls
- Announcement letters send home with students
- School website: [www.sanmiguelpumas.net](http://www.sanmiguelpumas.net)
- Follow us on Instagram: [https://www.instagram.com/san\\_miguel\\_elem/](https://www.instagram.com/san_miguel_elem/)
- Class JoJo
- LAUSD Parent Portal

**Do you have questions about your child's progress?**

Contact your child's teacher by phone at 323-567-0511.

# Our Goals for Student Achievement

## District Goals:

- 100% Graduation
- Proficiency for All Students
- 100% Attendance
- Parent Engagement
- School Safety

## School Goals:

Our aim is to provide a high-quality education that prepares all students to be college and career ready in the 21<sup>st</sup> century competitive global economy, become fluent speakers, listeners, readers, writers, and problem-solvers.

## To achieve our goals our students will:

1. 75% of students will be at Benchmark or Above Benchmark in all the skills on DIBELS
2. Make a 5% gain in reading and math on the Smarter Balance Assessment Consortium (SBAC)
3. 40% of our English Language Learners will reclassify
4. 95% of students will have perfect attendance

## In Our Classroom

Each grade team will work with students and their families to support students' success in meeting or exceeding the California Content Standards in reading and math. They will collaboratively work with students and their parents to:

1. **Master the CA Preschool Learning Foundations Language and Literacy benchmarks.**
2. **Reading to Instructional Level (K-2nd grade) – Students will read at or above their instructional level by the end of 2nd grade.**
3. **Reading Proficiency – Students in grades 3-5 will meet or exceed standards at grade level on the Smarter Balanced Assessments.**
4. **Math Proficiency – Students in grades 3-5 will meet or exceed standards at grade level on Smarter Balanced Assessments.**

## At Home

San Miguel Ave/ STEM School Magnet parents joined staff to develop these ideas about how families can support students' success in reading and math:

- **Provide a quiet place for my child to complete their daily homework and projects**
- **Review daily homework assignments with my child to support my child's reading and math learning goals.**
- **Volunteer in the classroom or parent center**
- **Read daily with my children and ask comprehension questions**
- **Take my children to the library, museums, and parks**
- **Attend parent conferences and parent training to learn new ways to support my child as a reader.**
- **Communicate with my child's teacher**

## Students

San Miguel Ave students joined staff and parents to develop ideas about how they can succeed in school and continue achieving in math and reading. Students thought of the following ideas to make connections between learning at home and school:

- I will set goals for myself to learn new skills and strategies to improve.
- I will ask questions to better understand what I am learning
- I will read books for 30 minutes every day
- Arrive on time to school or before 7:54 a.m.
- Discuss school activities with parents
- I will be respectful, be safe, and be responsible.
- My family and friends can help me accomplish it by: \_\_\_\_\_
